

Lexington Postal Credit Union

DEBT RESTRUCTURE Loan Special

Let Us Help Reduce Your Debt Burden!

LPCU may be able to **REFINANCE** up to **125%** of the current value of your vehicle (that you hold with us *or* another financial institution) and/or refinance a vehicle you currently own.

The extra money will be applied to help:

1. **Consolidate your unsecured** credit cards or installment loans.
2. **Reduce your monthly payout** (to free up your cashflow!)
3. **Pay off debts** in a more timely manner.
4. **And possibly improve your credit rating!**

Starting at 3.99% APR Base Rate*

Your credit score will affect the APR rate. A low credit score does not automatically disqualify you, as LPCU takes other factors into consideration. Checks will be made to the creditors.
